

# Happy New Year!

---

As we put closure to 2021 and welcome the New Year, I wish to express my heartfelt appreciation for helping Neighbor Network to bring 101 families a joyous Christmas this year. There is nothing more gratifying than giving to others, as it is in giving that we receive. I truly appreciate that you chose to give to the families supported by Neighbor Network's Adopt-A-Family Program. I wish to thank all of those who graciously supported our program by adopting a family(s), purchased gifts from our online wish list, helped to deliver gifts and those who made monetary or gift card donations. I greatly appreciate all of the donors who have continued to support our program through the years and for the many new donors who have joined us for the first time this year.

Families who received holiday assistance were referred by the Howard County Public School System, the Howard County Multiservice Center, Bridges to Housing Stability of Howard County, Johns Hopkins Bay View Child Psychiatry Outreach Program, The Choice Program, and Cherry Hill Strong of Baltimore.

Your continued faith and support of Neighbor Network enables us to continue our efforts to support those experiencing hardship in our community. Visit our website and FB page for future events and community needs.

Wishing you and your families a safe, healthy and joy filled New Year.

Warmest Regards,

Karen Mobley
