

Hello Everyone!

The first week of school has come to a close, and thanks to the incredible support of our community, 560 students kicked off the year with brand-new, fully stocked backpacks!

As a small nonprofit, Neighbor Network relies on the helping hands of many. This amazing effort wouldn't have been possible without the generosity of our volunteers, donors, and supporters. A special thank you to my family and friends, the enthusiastic youth from Glenelg Cub Scouts Pack 761, the kind-hearted members of Channing Memorial Unitarian Universalist Church, the Lisbon United Methodist Church and the many others in our community who stepped up to make this drive a success.

I've received such wonderful feedback from some of the recipients of our backpacks - how these supplies brought joy, confidence, and much-needed financial relief at the start of the school year. Your support truly made a difference.

To everyone who donated, volunteered, or cheered us on: THANK YOU. You helped give hundreds of children a brighter start to their school year.
